The image shows the Xvirus Personal Firewall application window. At the top left is the Xvirus logo, followed by the title "Xvirus Personal Firewall" and standard window controls (minimize, maximize, close). Below the title bar is a green checkmark icon and the text "You are secure!". The main content area is titled "HOME" and contains a table of status information:

HOME	
Firewall Protection	Enabled
Proactive Protection	Enabled

Below the table, there are three menu items:

- Network monitor - Check all your computer connections.
- Check for updates - Make sure that you are using the latest version.
- Settings - Quickly and easily customize Xvirus according your needs.

At the bottom left, it says "You are using the PRO version." and at the bottom right, there is a "Manage License" button. A watermark "KoronPC.com" is visible in the background.
